

factory direct Wholesale 304ah 3.2V lifepo4 rechargeable lifepo4 battery cells for EV BOAT ESS SOLAR

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Model Number: 3.2V Lifepo4 Lithium Ion Battery

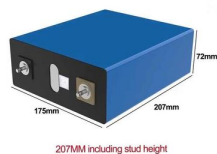

Product Specification

- Battery Type: 3.2V 100Ah Lifepo4 Battery
- Application: E-bike
- Standard Rating Cycle: 2000 (0.5C/0.5C)
- Capacity: Customized
- OEM/ODM: Yes(Accepted)
- Size: 118.5(H)*160(W)*50.1(T)
- Weight: 1920±100G
- Package: ABS/Metal Case Or OEM

Product Description

Product Description:

LifePo4 Lithium Ion Battery - Hailong Electric Bike Battery

The LifePo4 Lithium Ion Battery is specially designed for E-bikes and offers a reliable and long-lasting power source. With its OEM/ODM accepted feature, customers can customize the capacity according to their specific needs. The battery's compact size of

Our Product

118.5(H)*160(W)*50.1(T) makes it easy to install on any E-bike model.

The Hailong electric bike battery is a popular choice for E-bike enthusiasts. With an approximate weight of 4.0~40.0kg, it is lightweight and does not add extra burden to the bike. The battery also features 100% NEW A-grade Cells, ensuring high-quality and efficient performance.

The LifePo4 Lithium Ion Battery has a capacity of 48V 17.5Ah, providing enough power for long-distance rides. It also has a standard rating cycle of 2000 (0.5C/0.5C), which means it can be charged and discharged up to 2000 times, making it a durable and cost-effective option for E-bike owners.

Key Features:

Application: E-bike

OEM/ODM: Yes (Accepted)

Capacity: Customized

Size: 118.5(H)*160(W)*50.1(T)

Standard Rating Cycle: 2000 (0.5C/0.5C)

In conclusion, the LifePo4 Lithium Ion Battery is a reliable and efficient power source for E-bikes. Its customizable capacity, compact size, and long cycle life of 2000 times make it a highly sought-after option in the market. Choose the LifePo4 Lithium Ion Battery for your E-bike and experience a hassle-free and enjoyable ride every time. Order now and experience the difference!

LifePo4 Lithium Ion Battery

Brand Name: enook

Model Number: 3.2V Lifepo4 Lithium Ion Battery

Place of Origin: China

Battery Type: 3.2V 100Ah Lifepo4 Battery

Package: ABS/Metal Case Or OEM

Standard Rating Cycle: 2000 (0.5C/0.5C)

Application: E-bike

Weight: 1920±100G

The enook 3.2V Lifepo4 Lithium Ion Battery is a high-performance battery designed specifically for E-bikes. With 60v battery pack, this battery provides a powerful and long-lasting energy source for your electric bike.

Made in China, enook's 3.2V 100Ah Lifepo4 Battery is of top-notch quality, utilizing 100% NEW A-grade Cells. This ensures the battery's durability and reliability, making it a perfect choice for your E-bike.

The battery comes in a sturdy and secure package, with the option of ABS/Metal Case or OEM packaging. This ensures that your battery is well-protected during transportation and can be easily installed on your E-bike.

The enook 3.2V Lifepo4 Lithium Ion Battery has a standard rating cycle of 2000 (0.5C/0.5C), which means it can go through 2000 charging and discharging cycles at a rate of 0.5C. This makes it a long-lasting and reliable power source for your E-bike.

Specifically designed for E-bikes, this battery has a weight of 1920±100G, making it lightweight and easy to install on your electric bike without adding too much extra weight.

With a 5-year warranty, you can trust in enook's 3.2V Lifepo4 Lithium Ion Battery to provide consistent and reliable power for your E-bike for years to come. So why settle for anything less? Choose enook for your E-bike battery needs.

Packing and Shipping:

Packaging and Shipping for LifePo4 Lithium Ion Battery

Packaging

Each LifePo4 Lithium Ion Battery is carefully packaged to ensure safe and secure delivery. The packaging includes:

- High-quality cardboard box

- Bubble wrap or foam inserts to protect the battery

- Instruction manual and safety information

- Warning labels for lithium ion batteries

Shipping

We offer worldwide shipping for our LifePo4 Lithium Ion Batteries. Our shipping process includes:

- Careful handling and packaging to prevent damage during transit

- Shipping via reputable and reliable carriers

- Tracking information provided for all orders

- Insurance coverage for the full value of the battery

Please note that due to the nature of lithium ion batteries, some shipping restrictions may apply. It is the responsibility of the customer to ensure that the battery can be shipped to their location.
